

Finland in Our Hearts

On July 1.–4.7.2011, a festival for expatriate Finns and their friends in Turku

**Finns from all around the world gather to celebrate
in Turku, the European Capital of Culture.
Welcome!**

The festival features a wide range of programs, such as musical events, exhibitions, a film festival, a folk festival, the Tori-marketplace as well as golf and baseball tournaments. Many well-known Finnish and Finnish expatriate artists perform at the festival.

How do American Finns play jazz and Brazilian Finns dance jenkka? Come and see for yourself.

How is expatriate life in different corners of the world?

What is Finland's future?

You can listen to interesting presentations and discuss about Finland, Finnish identity and migration, and share your experiences with others.

The President of the Republic Tarja Halonen is Patron of the Festival.
